Clerk of County Commissioners.

Commissioners' Report

In accordance with the Public Laws of the State of New Hampshire, the Commissioners of Sullivan County, herewith present the annual report of the County Commissioners, the County Home and House of Correction, Treasurer, Auditors, Solicitor, Clerk of Court, Sheriff, Chaplain, and the Physician of the County Home for the year ending December 31, 1935.

The County Home continues under the management of Mr. and Mrs. L. M. Grout, Superintendent and Matron. Nothing but praise is in order for their efforts and the Commissioners desire to express their thanks and appreciation for their splendid work at the Home. We also desire to express our appreciation for the excellent service of the Chaplain, Physician, and all connected with the Home.

No major improvements were made at the Home during the year. Only general upkeep and repairs were made. The buildings are all in very fair condition and are a credit to the County.

Financial condition of the County:

We closed the year with all bills paid, and \$22,368.33 cash in the Treasury. The County Debt was reduced \$15,410.06 for the year although Relief expenditures exceeded the appropriation \$11,052.66. This overdraft resulted from the failure of the State to reimburse the County for the months of November and December, on relief expenditures, the 50% as was expected when the budget was approved by the County Delegation last May.

We desire to express our appreciation to the County Delegation for their cooperation in adopting, as near as possible, a balanced budget for 1935. It is the one item (a balanced budget) that establishes the credit of the County.

Recommendations:

Two major additions, or improvements, should be made at the County Home; if and when the County is in a financial position to make them.

First:—The building of a Fire Proof Garage.

Second:—The building of a separate and independent Jail

Building (connected to the New Home by a tunnel only).

The need of both of the above projects is self-evident after an inspection of the storage of cars at the Home, and an investigation of the already over-crowded Jail.

It is the duty of the Commissioners to call to the attention of the County Delegation and the Tax Payers of the County the need of the Garage and Jail, and the duty of the County Delegation to take such action as they deem best to carry out our suggestions at the proper time.

In closing, we wish to express our appreciation to the Overseers of the Poor and Selectmen in the several towns for their splendid cooperation in assisting us in County affairs, and to all the people and organizations that have interested themselves in the welfare of our county dependents, we desire to express our appreciation.

Respectfully submitted

O. A. PUTNAM,
L. L. OSBORNE,
GEO. C. WARNER.

Report of Superintendent and Matron

To the Honorable Board of Commissioners of Sullivan County:

We herewith submit our tenth annual report of Sullivan County Home and House of Correction.

Looking back ten years, we find that our population was sixty-one at that time. At present we have one hundred and eighty, not including employees, showing an increase of nearly seventy per cent since 1926.

Many changes and improvements have been made in that time, one of them being the fine new building which has been filled to capacity this Winter.

For some time the size of our Jail has been inadequate, making it necessary to place some of the prisoners in another part of the institution.

Some marked improvements have been made about the grounds. Nearly all the buildings were painted during the Summer, many of the floors have been refinished, and much of the furniture renovated, in addition to many necessary repairs being made in and about the buildings.

We deeply appreciate the interest and help of the Commissioners and we wish to extend our thanks to them.

To our Chaplain, physician, and co-workers who have assisted us so efficiently we are grateful.

We are fortunate in having talent among our own group and they have given us two clever minstrel shows.

We wish to express our appreciation to all who have sent magazines and gifts and to those who have given so generously of their time in bringing cheer to our people. Especially do we thank Miss Marion King for playing and Miss Irene Dufresne for singing at our church services, Mrs. Morgan and her group, and Miss Colby for their entertainments.

Respectfully submitted,

L. M. GROUT, Superintendent,
FLORENCE D. GROUT, Matron.

Report of County Solicitor

To the Commissioners of Sullivan County:

Gentlemen:

I submit herewith a report of my duties as Solicitor for Sullivan County from January 1, 1935, to January 1, 1936.

During the above period your Solicitor has been faced with the usual run of criminal cases and has had a large number of non-support cases. In February of 1935, accompanied by Sheriff Monta, I made a trip to Silver City, New Mexico, and brought back Frank Filiault, who had escaped from the local County Farm after having seriously injured a guard. Mr. Filiault was indicted on a burglary charge and sentenced for a period of five to seven years in the State's Prison, the sentence, of course, being based on his attack on the guard at the County Home.

During the past year I have dealt with a large number of juvenile delinquents and am satisfied that there should be an adequate probation system inaugurated in this State and especially in this County to handle these delinquents. There should be no reason for treating them as criminals as is the case under the present set up. I strongly urge that the community give its attention to this problem.

Since the inauguration of the Identification Bureau at Concord it has been much easier to determine the past records of law breakers and to provide their punishment. One of the essential things to carry out this work expeditiously is that all police officers and sheriffs should finger-print all persons arrested immediately upon making the arrest and forward the prints to Concord as soon as possible. This is not being done and the Attorney General's Department is very anxious to have the provisions of the law in this respect carried out.

During the coming term of Court we have a number of cases covering a wide spread variety of crime, but they will undoubtedly all be properly disposed of without much trouble.

Respectfully submitted,

JOHN H. LEAHY,
County Solicitor

Sheriff's Report

In presenting this, my report for the time that I have acted as Sheriff, from April 1st, 1929 to January 1st, 1936, allow me, gentlemen, to thank you for all courtesies shown me. I also tender my thanks to the Clerk of the Court, County Solicitor, and my Deputies, and the Police Departments in the various towns and cities. I acknowledge with deep appreciation the assistance given me by the public in general, in making this office successful in the administration of its duties. I also want to thank Mr. and Mrs. Grout, superintendent of the County Home, and jailor for their most valuable cooperation and assistance to me and the public in general for the way they have taken care of the prisoners.

Respectfully submitted,

EMERY B. MONTA, Sheriff.

Physician's Report

Claremont, N. H., January 1, 1936.

To the Commissioners of Sullivan County:

Gentlemen:

There has been the usual amount of chronic and acute sickness among the inmates of the County Home. Twenty-one babies were born and sixteen inmates died.

Yours respectfully,

HENRY C. SANDERS, JR. M. D.
